

FORESTRY CONSULTATION

(FACILITATED BY: PRDC AND CANMAC ECONOMICS)
OASIS ROOM AT THE NSCC-STELLARTON

THURSDAY, FEBRUARY 26TH; 2009
6:30 PM TO 830 PM

With a look to the future, is the forestry sector of the economy holding a promise for growth and development? Given the current state of North America and the related global economic conditions are there aspects of the regional economic strategy that needs your attention?

What does your economic strategy look like? Come and participate in the forestry consultation. Your input is vital to the development of the new Regional Economic Strategic plan for Pictou County. This belongs to you.
